Has the FF given their plan of action		
Has the FF given additional info/resources/ accuracy of info given by command		

Cracked Face Piece Lens	YES	NO
Has the FF demonstrated partially closing cylinder valve		
Has the FF demonstrated attempting to re-establishing face piece seal		
If unsuccessful -Has the FF demonstrated breathing from regulator (Verbilized)		
Missing Face Piece Lens	YES	NO
Has the FF demonstrated immediate exit from area w/ partner (Verbalized)		
Has the FF demonstrated breathing from regulator (verbalized)		
Severed Low Pressure Line	YES	NO
Has the FF demonstrated immediate exit from area w/ partner (Verbalized)		
Has the FF demonstrated holding the ends of the low pressure hose together or breathing directly from the low pressure hose		
Total Regulator Failure	YES	NO
Has the FF demonstrated immediate exit from area w/ partner (Verbalized)		
Has the FF demonstrated closing cylinder valve and removing SCBA - not facepiece		
Has the FF demonstrated holding breath while removing SCBA		
Has the FF demonstrated removing high pressure hose from cylinder		
Has the FF demonstrated breathing from tank by partially opening tank and breathing through opening in face piece still on FF face		
Severed High Pressure Hose	YES	NO
Has the FF demonstrated immediate exit from area w/ partner (Verbalized)		
Has the FF demonstrated closing cylinder valve and removing SCBA - not facepiece		
Has the FF demonstrated holding breath while removing SCBA		
Has the FF demonstrated breathing from tank by partially opening tank and breathing through opening in face piece still on FF face		
Disentanglement - (NYS Skill 9-I-14)	YES	NO
Has the FF demonstrated disentanglement procedures		
Narrow Spaces - (NYS Skill 9-I-11A)	YES	NO
Has the FF demonstrated reduce profile procedures		
Confined Spaces - (NYS Skill 9-I-11)	YES	NO
Has the FF demonstrated low profile procedures		
Breaching Walls - (NYS Skill 9-I-12, 9-I-12A)	YES	NO
Has the FF demonstrated procedures for breaching walls and reverse swim maneuver through		
Has the FF demonstrated procedures for breaching walls and swim/dive maneuver through
